Advanced Boss Swapper

⚠ **Important**: Be sure to offtick the minions/monsters, otherwise the plugin will not be able to flick properly!

Configuration

Enable

- Click "not set" and choose a hotkey to toggle the plugin on/off

Generic Boss Config

Disable Defensive Prayers

- When enabled, if all monsters are dead, the plugin will turn off your Overheads

Disable Offensive Prayers

- When enabled, if all monsters are dead, the plugin will turn off your Offensive Prayers

Guess Pre-Prays

- The plugin will attempt to guess the tick a monster will attack on when it spawns
- If kiting a boss around the room, disable this option
- Turn this setting OFF if doing Dagannoth Kings

Offensive Prayer

- Having this enabled will allow the plugin to use offensive prayers based on your target (DKs and Demonics)

Dagannoth Kings

- Choose the offensive prayer to use against each boss
- Turn off Guess-Pre Pray setting!

Demonic Gorillas

Gearswaps

- Gearswaps to melee or range gear, based on what the Gorillas is praying
- This plugin supports Advanced Swapper sets!
- Use `id,id,id` format or `swap:SetName` (e.g `swap:DemonicMelee`)
- Item IDs can be found by using the Gsoft Manager plugin, enable the "Inventory IDs" setting

Melee/Ranged Prayer

- Which offensive prayer to use when using Melee, or Ranged

Commander Zilyana

Always Protect Magic

- This will make you keep Protect from Magic on while Zilyana is alive
- Useful when Meleeing

K'ril Tsutsaroth

Defensive Prayer

- Which Overhead prayer to swap to when K'ril is about to attack you
